Insulation delivered in Continuous Length

A specially designed practical solution for technicians and installers!

All the benefits of ISOPIPE TC Pipes, now it's delivered in a continuous length up to 76 meters.

ISOCOIL Benefits

- **No scrap produced!** Cut only the material needed and store the rest.
- **Less glue applied!** No need to cut and join short pieces.
- **Less labour time** consumed due to easier installation process.
- **More conveniently carried,** due to the lightweight package!

Applications

- It addresses the need for economical and effective insulation for internal and external applications.
- It is ideal for pipe systems operating in:

- ✓ **Dual-temperature systems (hot or cold pipelines)**
- ✓ **Air Conditioning**
- ✓ **Refrigeration**
- ✓ **Central Heating and Plumbing**

Available in Insulation of: ISOPIPE TC (+110°C)

For more information please refer to ISOPIPE TC Brochure and Technical Data Sheet (TDS).

ISOCOIL is NOW available in 15 meters length

- **ISOCOIL 15 meters** has all the benefits of ISOCOIL and comes with a practical bundle carton. All 15 meters Coils are packaged in a bag and then in a box keeping the product safe for use.
- **ISOCOIL 15 meters** is handy and very useful, since there is no product waste and it is very easy to store for future use. This is because, every single bag and carton have their own label for easier tracking.

ISOPIPE® S.A.
