

Athens, 21 December 2020

Merry Christmas from the ISOPIPE team!

To all our colleagues and partners:

2020 has been a tough experience so far, and we all focused on things that really mattered, i.e caring for our loved ones, our colleagues and customers.

Known for our determination in delivering excellent customer care and top-notch product quality as well as for taking care of the well-being of our employees, we would like to announce that **our facilities will be closed from December 28, 2020, to January 8, 2021**, for the annual maintenance works.

Our aim is for us all to come back even stronger and continue providing our high-performance production and to stand by our people and partners.

We cannot express our gratitude enough for your ongoing support.

To all of you and your families, we are sending warm greetings wishing you safety and happiness. May this festive season bring along a lot of joy. **Merry Christmas!**
