

ISOPIPE S.A. presents its new handy Mini Sample Box

We are continuously working towards new solutions for our partners, involving the presentation of **ISOPIPE** product range in new ways.

In this direction, we introduce a new **mini Sample Box**: a compact package including samples of **ISOPIPE** Insulation product range, of small size, which can be easily carried and transferred anywhere. The box contains also a fully informative brochure about each product.

ISOPIPE Mini Sample Box is available FREE of charge and includes samples of:

- ISOPIPE TC
- SOLAR Covering White Colour
- SOLAR Covering Silver (Grey) Colour
- ISOPIPE HP
- ISOPIPE UV PLUS
- ISOPIPE HEAVY DUTY
- ISOPIPE TC SLIT & SEAL
- ISOSYSTEM
- ISOSOUND

You can request a Mini Sample Box by contacting ISOPIPE's Export Department, or directly through the *Contact Form* on our website.
